

BD Rowa™ Customer Portal

Discover our online platform

The BD Rowa™ Customer Portal (<https://myrowa.bd.com>) gives you access to information about your BD Rowa™ solutions, free of charge and in one central place. Through this portal, you can:

Learn

Learn more about your BD Rowa™ solutions by clicking [Training](#).

Access operating instructions and other documents in the [Document Archive](#).

Connect

Get system analytics with stock and performance reports.

Find BD Rowa contact details and see your service history.

Manage

Create and manage accounts for your team.

Order add-ons and consumables in the web shop.

Set your password

You will need to set a password the first time you log in. With these same steps, you can also reset or change your password at any time.

1

Go to <https://myrowa.bd.com> and click [Forgotten your password?](#)

2

Enter the e-mail address where you received the welcome mail, then click on [Send verification code](#).

3

Use the verification code to set your new password.

Get your team involved

You can easily create accounts for all your employees, which allows them to track their individual learning progress. Follow these steps to open the [User management](#) panel:

Support

If you need any further support with your account or any of the platforms, please contact rowa.customerportal@bd.com.
